

ELITE 50

SOLAR POWERED YACHTS BY NOVALUXE

NEVER LOOK BACK

Explore more and work less. Exploration is dependent on two things, where you're going and how you get there. Our solar/electric technology maintains the freedom found only on the water and virtually maintenance free. Arrive effortlessly to destinations with shallow draft far beyond the confines of the fuel dock. Entertaining? Stay in motion with uninterrupted conversations over muted engines. The Elite 50 series of hybrid boats are built to enjoy luxurious, extended range to maximize the boating lifestyle. Let the exploration begin.

NOVALUXE

ELITE 50 BY NOVALUXE

The Elite 50 series has evolved from a traditional catamaran to feature the freedom of a sailboat with the comfort and ease of a power yacht. This yacht is ideal for extended trips of relaxation, exploration, play, entertainment, and a sprinkle of work from any destination. Enjoy your life in the beautiful expanse of destinations you still have yet to visit.

FlyBridge

VESSEL OVERVIEW

We've engineered the most peaceful cruise yet by maximizing space and style that is founded on the most complete and widely tested electric system in the world with Torqeedo. Want more speed? Automatically cycle on and off the Whisper Power generator for increased power. On deck, this multi-level luxury yacht has ample room to lounge, highlighting the triple crown of outdoor spaces. Sunbathe on the fore deck, lounge on the flybridge, and entertain on the aft deck. The Elite 50 checks all the boxes of a luxurious experience on and eco-conscious yacht that is second to none.
